

Congratulations Benjamin Luke

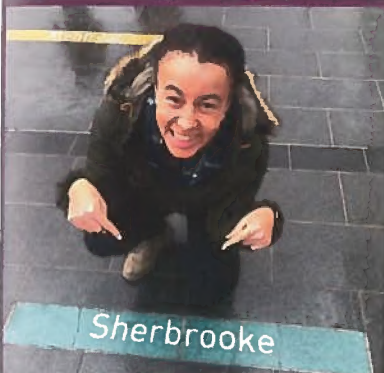

We are all very proud of you.

Love,
Mom, Dad, Shannon & Joseph

Congratulations on your graduation !
I remember you being so shy and resistant when you first arrived at BCS 3 years ago.
In the last years, we have witnessed you becoming more confident and focused combined with a beautiful personality.
Your future looks bright.

Love Mom and Dad who are very proud of you !

Liane - we did miss you very much but we know that you had a great time at BCS!

Hey Champion, it's been a real blessing to watch you grow and change. You have within you everything you need to continue to be successful in all aspects of your life. You can move mountains if you want, go confidently in the direction of your dreams, young man. Best of luck!

With loads of Love and Blessings. - Mommy

Love, it seems it was yesterday that we picked you up in our arms and you are already a woman! This is just the beginning! Life is out there for you and your dreams! Life is beautiful! Something will never change. Our unconditional love for eternity! Mom and Dad
